

The figure displays a heatmap of a sparse matrix. The x-axis and y-axis are both labeled with numerical values ranging from 6022 to 6101. The matrix is square, and the non-zero elements are represented by white squares on a black background. These elements form a clear diagonal band, suggesting a banded matrix structure. The labels on the axes are: 6022, 6028, 6029, 6033, 6047, 6048, 6056, 6057, 6062, 6063, 6070, 6072, 6078, 6080, 6081, 6082, 6084, 6085, 6090, 6094, 6095, 6099, and 6101.
